

DEAD MAN WALKING THE JOURNEY CONTINUES

Life, human life above all, belongs to God alone. Not even a murderer loses his personal dignity, and God himself pledges to guarantee this. As St Ambrose taught, God did not want to punish Cain with homicide, for He wants the sinner to repent more than to die .

*Since 1984, Sister Helen has divided her time between educating citizens about the death penalty and counseling individual death row prisoners. She has accompanied six men to their deaths. In doing so, she began to suspect that some of those executed were not guilty. This realization inspired her second book, *The Death of Innocents: An Eyewitness Account of Wrongful Executions*, which was released by Random House in December of 2004.*

Sr. Helen is presently at work on another book - RIVER OF FIRE: MY SPIRITUAL JOURNEY.
