

Nazareth Window 2009

By M. L. Stewart

Looking into the thick of the trees

As the conference sessions seem
Hardly a spaceflight I see

And yet

There's likely a bird nesting within

A spark of insight

Waiting

To fly out

On wings of thought.

M. L. Stewart

M. L. (Bunny) Stewart is coordinator of the Toronto Chapter of the ITMS and has presented workshops at ITMS General Meetings. This poem was inspired by the Guided Prayer session entitled "Exploring the Heart of Merton and Nature" led by Monica Weis, SSJ at the ITMS Eleventh General Meeting in June 2009.
