THOMAS MERTON SYMPOSIUM THOMAS MERTON A MAN FOR ALL SEASONS

Thomas Merton is viewed, by many, as one of the most significant contemplative theologians and prophetic Christian public thinkers of the 20th century. January 2015 signals the 100th anniversary of Merton's birth. Many events are being held to celebrate Merton's 100th birthday. Regent College will be hosting an afternoon symposium that touches on significant aspects of Merton's life and writings. All are welcome.
